person with the BLM by 2:00 p.m. on April 22, 2015, at the meeting location.

Depending on the number of commenters, the Advisory Board may limit the length of comments. At previous meetings, comments have been limited to three minutes in length; however, this time may vary. Commenters should address the specific wild horse and burro-related topics listed on the agenda. Speakers are requested to submit a written copy of their statement to the address listed in the “ADDRESSES” section above or bring a written copy to the meeting. There may be a webcam present during the entire meeting and individual comments may be recorded.

Participation in the Advisory Board meeting is not a prerequisite for submission of written comments. The BLM invites written comments from all interested parties. Your written comments should be specific and explain the reason for any recommendation.

The BLM appreciates any and all comments. The BLM considers comments that are either supported by quantitative information or studies or those that include citations to and analysis of applicable laws and regulations to be the most useful and likely to influence BLM’s decisions on the management and protection of wild horses and burros.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time.
